1 Introduction Perhaps the most flexible and useful estate planning instrument of all time is the trust According to Professor Scott, a dominant figure in 20 th Century trust law, '[t]he purposes for which trusts can be created are as unlimited as the imagination of lawyers 2 Indeed, trusts have

The Fall and Rise of Regional Planning in the Economically ...

John Glasson Introduction In the early 1970s, UK regional planners had good cause to be optimistic A number of major strategic planning exercises were under way for regions such as the booming London and South-east and for the more problematic North-west Such exercises paralleled a number of sub-regional plan-ning exercises, which introduced many
