property is placed in service during the last 3 months of a year, then you should use the mid-quarter convention. The mid-quarter convention tables start your depreciation in the quarter that you placed the asset in service. The mid-quarter convention reduces the amount of the depreciation for the year because you ...

What did you like best about this class? First Section

Yes, because it is clear what is expected of you, and the professor made it easy to understand the material. I would, he is a good professor. Yes because these helpful, funny and you do leave with something. But you do have to put work and to get a good grade. I would recommend this professor to a friend because the class is okay.
